What questions do you have right now for us?

After you have completed this form, please send us an e-mail at: <jchs@johnsoncountyhumane.org>. An adoption counselor will contact you within 24 hours to discuss your responses to these questions. Please remember that JCHS is a small group of volunteers who have their own animals to care for and jobs to attend to, in addition to any animals they may be fostering. Our adoption goal is to create the best matches we can between our animals and community members interested in adopting them. If you haven't already, visit our website at: <www.johnsoncountyhumane.org>.
